

# 2010-11 SCHOOL GOALS

In celebration of its 87<sup>th</sup> school year,  
QPGS will strive:

1. To continue to provide a faith-filled curriculum in order to promote the growth and development of productive Catholic citizens. Stewardship continues with emphasis on monthly donations to the parish Food Pantry.

2. To increase our Terra Nova scores across the curriculum by emphasizing the importance of both reading and writing skills for successful communication with an emphasis on pride in our American heritage and citizenship.

NEW: PATRIOT of the MONTH

3. To continue to improve the use of technology on all levels: the school web site; POWER SCHOOL; ClassHomework.com; teacher e-mails and SMART BOARD opportunities and SCHOOL REACH

4. To continue to expand the opportunity for hands-on observation, experimentation and discovery of all science concepts through use of Albertus Magnus Science Room.

5. To create a respect for our environment and promote the care of our world through conservation and recycling habits.
