

Class Parties

Parents of 8A/8B Students,

As the class moms this year, we will be collecting a \$50 fee for all of the parties and events. This will avoid the constant checking of emails and always trying to remember to send in a few bucks here and there. You will not be asked to shop or send any supplies in with your child for these holiday celebrations. If there is an event that your child will not be present for, or that you do not wish for them to participate in, just adjust your total payment. Please return your response and payment (cash/checks made out to cash) to school with your child no later than Friday, October 6th. If you have any questions or allergy concerns, please contact us through our emails.

We are looking forward to a great year with the kids!
