

QUEEN OF PEACE GRAMMAR SCHOOL

Dear Queen of Peace Families:

The Home School Association requires help and support from our families so that we can continue to host and plan school sponsored events. Attendance has been great this year at our events, however, we are not receiving the support necessary in terms of family volunteer hours to help us run these events. We realize that each of our families is unique – with its own priorities, needs, talents, and time constraints – and so we try to provide as many types of opportunities for involvement as possible. Your feedback is vital as we organize events for the remainder of this year and as we plan ahead for the 2018/2019 school year. Please review the volunteer opportunities suggested below, and check any that would be of interest to you. Also, tell us what you think of our past events or what you would like done differently going forward. This is our opportunity to work together for the benefit of the children and the school. If the form is completed and returned to the school by November 22nd, your child/children will receive a free tag day, date to be announced.

- Fundraise – do you require more information on fundraising opportunities or why we fundraise as a school?
- Become a member of the HSA – this is a great way to become an active member in your child's school.
- Organize or participate in an HSA event – take the lead and enjoy the sense of accomplishment in running an event. We still need a chair person for *Breakfast with Santa* and *Tricky Tray* – now is your time!
- Volunteer for lunch duty – valid certification of Protecting God's Children required.
- Organize a school fundraiser – contact the board for more information.
- Collect *Box Tops for Education* - www.boxtops4education.com
- Donate to Food Pantry – every first Friday of the month.
- Home School Meetings – attend all 4 meetings and be entered in a raffle for \$400 off of next year's tuition.

Please fill out the information below so that we may contact you to provide you with more information on how you can become involved in the areas of interest checked above. On the back of this form please answer the survey and questions in regards to how we can work together to make Home School Association events more successful. Your feedback is important, we are listening!
