Notice of Non-Discriminatory Policy as to Students

Queen of Peace Grammar School admits students of any race, color, national, and ethnic origin, gender, disability to all the rights, privileges, programs, and activities generally accorded or made available to students at the School. Queen of Peace Grammar School does not discriminate on the basis of race, color, national and ethnic origin, gender, and disability in the administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

Purpose and Use of Handbook

The Handbook exists to foster the efficient operation of Queen of Peace Grammar School. To meet this objective, the school administration is given flexibility and the ability to exercise discretion. In appropriate circumstances, the Principal has the discretion to take actions other than those specified in the Handbook. This Handbook is not intended and should not be considered to create any additional rights for students or parents/guardians.

Amendments to Handbook

This Handbook is subject to change at any time when determined to be necessary by the school administration. If changes are made to the Handbook, parents/guardians will be notified within 30 days of the changes being approved by the appropriate authority.

Accreditation

“Queen of Peace Grammar School is accredited by the Middle States Association of Schools and Colleges.”

History

Queen of Peace Grammar School was established on September 9, 1925 due to the genius and dedication of its visionary first pastor, Monsignor Peter B. O’Connor. The Sisters of St. Joseph of Chestnut Hill, Philadelphia were its first staff members. The words from former pastor, Rev. Msgr. Thomas J. Tuohy, embody the foundation of Queen of Peace Grammar School. “God can give us nothing more precious than the gifts of children. In appreciation we can do nothing more worthwhile than to fashion these children in the likeness of Christ. For this sacred cause no sacrifice is too great, no effort is too demanding. Only the very best is good enough.”

Mission Statement

The mission of Queen of Peace Grammar School is to empower our students with Catholic teaching, morality, and traditions as well as knowledge and academic skills that will enable them to embrace the challenges of the future in a constantly changing world.
Philosophy
Through the inspiration of Jesus Christ and teachers who are dedicated to their vocations, Our Lady Queen of Peace Grammar School students experience a Catholic, multi-cultural atmosphere of differentiated instruction in a safe, age-appropriate environment. By encouraging a love and respect for God, of self and of all life, we strive to instill in our students a love of learning and the understanding that education is a lifelong process.

Vision
Queen of Peace Grammar School will continue to be a leading Catholic educational community of faith and knowledge that empowers the next future leaders of the Catholic Church and greater community. We strive to empower our students with an understanding and appreciation of the diversity of our multicultural society. Our school endeavors to produce life-long learners that are technologically literate, globally-minded, and prepared to serve their community. We will continue to encourage an awareness of the issues of safety and health that challenge us in this rapidly changing world of the 21st century.

Beliefs
Queen of Peace Grammar School are founded in the belief that:

➢ Every student is a child of God, made in His image, with goodness and kindness.
➢ Learning is a lifelong process. A positive, nurturing learning environment can foster this desire for continued growth in mind, body, and spirit.
➢ Every student can learn in a Christ-centered learning community that celebrates diversity and responds to the unique learning style of each child.

All current students entering Grade 3 and Grade 7 need an updated physical on file in our nurse’s office.

Registration

Parents seeking admission for their children to Queen of Peace Grammar School must be supportive of our mission. Parent participation and partnership with the school is essential for student success. Registration for the following school year will occur in January, after the tuition rates have been determined.

Students are not considered registered until all records are complete, including a NON-REFUNDABLE registration fee. Both parents (if married) must sign registration forms indicating tuition and fund-raising options.

Tuition Policy

All tuition payments and fees are paid through SMART Tuition, an online tuition management program. After registration is complete, an email will be sent with enrollment instructions to SMART Tuition. Please complete your enrollment as soon as you receive notification from SMART. Tuition must be paid on time.
Transfers

Transfers are given at the request of the parent or guardian of the student. One week’s notice is requested so textbooks and library books may be returned and all financial obligations have been met, including tuition paid in full for services that have been received.

The parent is given a transfer card, copy of health records and the current report card. The parent or guardian giving the school permission to release all student records must sign a “release of information form”. After a formal request is received from the new school, student records are forwarded by mail. The school reserves the right to withhold transfer if any debts are outstanding.

Change of Address and/or Phone Number

A change of address, home phone number or emergency phone number must be reported to the school office, the homeroom teacher, and the school nurse as soon as possible. Updated and accurate information is essential for proper communication should an emergency arise with your child during school hours.

Attendance Policy

Importance of Regular Attendance

State law requires daily school attendance. Prompt, regular attendance is absolutely essential to academic success. The parent/guardian is expected to foster these essential habits in the student, both for the benefit of the student’s current academic achievement as well as for success in future goals and endeavors.

Truancy

A student, who deliberately avoids coming to school, contrary to the wishes of his/her parent/guardian, is considered truant. Habitual truancy will be reported to the Attendance Officer of the child’s district of residence. A student who is chronically truant will be subject to discipline.
Regular School Hours

The school’s responsibility for supervision of students begins at 7:50 a.m. and ends at 3pm. For children enrolled in the extended care program, the school’s responsibility begins at 3 p.m. and ends at 6:00 pm. Before School Care responsibilities begin at 7:00 am and end at 7:50 pm.

Policy Regarding Student Absence

A parent/guardian must call the school no later than 8:45 to report a student’s absence. If no call has been received by 8:45, the School will make a reasonable effort to reach a parent/guardian by phone to verify the legitimacy of the absence. These procedures represent a mutual effort to account for the presence of the student during school hours.

When the child returns to school, he/she must present a written excuse from a parent/guardian to the teacher stating the student’s name together with the dates and reason for the absence. An absence of five consecutive days requires a doctor’s note.

The school will contact students who are absent more than five days within a given marking period. Absences exceeding one third of the school year may require retention. Absences exceeding fifteen days may require summer school.

This includes vacation days taken while school is in session.

If a student is absent from school because of illness or disciplinary action, he/she will not be permitted to take part in extracurricular school related activities that afternoon or evening.

In the event of a prolonged absence, parents should contact the school and make an appointment with the teacher as to how missed class work shall be made up. Home tutoring may be necessary in case of a prolonged absence.

Parents or guardians requesting permission to take a child on trips, vacations, etc. during the school year must understand that the child is considered absent. It is the parents’ responsibility to see that the student completes all missed class work and assignments on return to school. Students should keep a daily journal of their trips and bring to school on return. Keeping a journal will enhance reading, writing and observational skills. This can be accomplished on all grade levels.
Lateness

The following policy will be used when a student is late:

1. Arrival time for Preschool is 8AM at the front door. Arrival Time for Kindergarten is 7:50AM at the front door. The teacher or aide will open the door for arrival. On days with inclement weather, Preschool children and parents can wait in the front hallway until 8AM. All students, including Preschool students, must wait in the hallway until prayers and the Pledge of Allegiance are finished.

The first bell rings at **7:50 AM (Arrival)**; second bell at **8:05 AM (Late Bell)**. During the time from 7:50 to 8:05AM, both the front and side door entrances are available for entry by a faculty member. At the sound of the late bell (8:05 AM), all doors are secured for the day.

Any student who arrives **AFTER THE BEGINNING OF PRAYERS** is considered late. These late students will be held in the front hallway until after prayers. They will then receive a late slip to be presented to their teacher for late admission to class.

Any student in grades 4-8 who is late **three times (3 lates – 1 detention per trimester; not cumulative through next trimester)** will be given a school detention. Detention is held at lunchtime and afterschool. Students may not be excused or removed from detention without a serious reason or previous notification.

2. Excessive and consistent tardiness is a serious problem which reflects both student and parent value for educational success. Consistent tardiness will be addressed by the principal and disciplinary board on an individual basis. Detention and consistent tardiness may be the cause to withhold honors or membership in National Junior Honor Society.

Emergency Closing of School

Queen of Peace Grammar School abides by the same procedure for weather closings as the North Arlington Public School system. A phone call from SCHOOL MESSENGER will notify parents of such closings. School closings are also on our school web site: [www.qpgs.org](http://www.qpgs.org).

Weather Related Problems That Arise During School Hours

If severe weather problems develop during school hours, we will follow the protocol of the North Arlington Emergency Services Coordinator. However, you may pick up your child any time during the school day. If you have designated another person to pick up
your child, that person’s name must be on the phone Emergency Card on file in the office. A signature must be obtained in the office at the time a student leaves the building with the parent or designated person.

Delayed School Opening

Delayed openings will be implemented on days that require additional time to arrive at school safely. Delayed openings are also in accord with North Arlington Public Schools. Unless otherwise indicated, school will open at 10AM when a delayed opening is called. Parents will be notified through SCHOOL MESSENGER and on our website at www.qpgs.org. If a delayed opening occurs on a half day, the school day may extend hours to a full day dismissal. All students must bring their lunch with this scenario. Preschool half-day students will dismiss at 12PM on days with a delayed opening.
**Home School Communication**

Any parent or visitor entering the school must sign in at the main office and obtain a visitor pass to be displayed while they are in the school.

**Appointments with Personnel**

Parents who wish to meet with the Principal, a teacher, or any member of the school staff must contact the office to arrange a mutually convenient meeting time. To prevent disruption to the educational process, parents are asked not to approach staff members during the school day without arranging an appointment beforehand.

Staff members who wish to communicate with the parents of a student may do so by phone, email, note, or at a mutually convenient appointment. Teachers will not schedule an appointment at times that could conflict with teaching or supervisory duties. When appointments are made, both the parent and the staff member should be aware of the purpose of the conference so that all concerned may be appropriately prepared.

Any parent wishing to have their child dismissed early must call, fax, or send a note that states the time and reason for early dismissal. Students dismissed early must be accompanied by a parent or responsible adult designated by the parent. All students must be signed out in the main office.

**Regular Communication with Parents**

Queen of Peace will provide regular communication with all parents/guardians through our school website. It is the parents’ responsibility to keep current with all school events by visiting our school website often: [www.qpgs.org](http://www.qpgs.org)

In addition, each teacher has been assigned a web site for parent communication. Queen of Peace Grammar School participates in the Archdiocesan PowerSchool Parent Portal. Parents receive a pass code which enables them to view their children’s grades at any time. A Progress Report is also available through this parent portal midway through each trimester. All Report Cards are generated through PowerSchool at the end of each trimester.

**Sending Money to School**

Money that is sent to school should be placed in a sealed envelope and identified with the child’s name, grade, the amount enclosed and its purpose. When possible, a check is recommended.

Lunch money should be put in the appropriate envelope and clearly marked with name, grade and lunch selections.
Parent Organization

Membership in the Home School Association is open to all parents/guardians interested in taking an active role in our school.

An Executive Board of the Home-School Association consisting of the Pastor, School Principal, teacher representative, the officers of the association and five members-at-large, guides the association. Parent representatives from each class are also invited to attend and participate in these meetings in order to share and discuss all school information and policies.

One of the responsibilities of the Executive Board is to provide fund-raising activities through which parents/guardians can meet their fund-raising commitments.

All parents are strongly encouraged to become active participants in the Queen of Peace Home School Association.

Parental Rights to School Records

Queen of Peace Grammar School abides by the provisions of applicable law with respect to the rights of non-custodial parents. In the absence of a court order to the contrary and upon request, the School will provide the non-custodial parent with access to the student’s essential academic records.

Court Orders

If there is a court order specifying the rights and responsibilities of individual parents, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. The custodial parent may wish to supply the Principal with the “custody section” of the divorce decree if it contains information, which may be useful to the school in fulfilling its obligations.

Please provide the school with the name, address and phone number of the non-custodial parent (in writing) if copies of report cards and school notices are to be sent.

Pick Up From School

The school will permit only the custodial parent, or his/her designee, to pick up the child during or at the end of the school day. The non-custodial parent will not be permitted to remove the child from school during or at the end of the school day, unless there is written authorization from the custodial parent. In an EXTREME EMERGENCY, a clearly defined, one-time telephone authorization may be acceptable. In any case, a
signature must be obtained in the office at the time a student leaves the building with a parent or designated person.

Detention

Students in grades 5-8, who having committed an infraction must serve detention. Detention is held for one (1) hour either during lunchtime or after school.

Academic Policy

Curriculum

Major Subjects – Religion, Reading/Literature, Language Arts, Math/Algebra, Social Studies, Science

Minor Subjects – Art, Music, Physical Education, Computer/Library, and Spanish are available at all grade levels from Pre K to Grade 8.

Technology

The use of technology at Queen of Peace Grammar School is a privilege, not a right. Students are expected to make responsible, ethical and appropriate use of computers and information services at all times. Network and computer services include: use of personal and school computers and laptops, the Internet, SMART board, e-mail and all associated software.

A contract specifying Rules of Conduct must be signed by each student and their parent regarding the use of the Internet.

Requirements for Promotion

In order to qualify for promotion to the next grade, students must maintain a passing grade in all major subjects. Students who receive a (U) for a final grade in a major subject are required to attend summer school for that subject.

Promotion to the next grade is dependent on summer school attendance and academic performance.

A student may attend summer school for up to THREE (3) MAJOR SUBJECTS.

Retention in a Grade

Retention would be required for students who have received a (U) for a final grade in three or more major subjects. Decision to retain is mutually agreed upon among the
principal, teacher and parent.

Failure Warnings/Progress Reports

A Progress Report will be available online through POWERSCHOOL. Teacher communication through POWERSCHOOL alerts parents to the progress or insufficient progress of the student. After receipt of an unsatisfactory progress report, the parent or guardian and teacher should avail themselves of the advantages of an interview or a telephone call. Poor grades and retention can be avoided by checking POWERSCHOOL regularly.

Report Cards

Elementary schools within the Archdiocese of Newark will use a system of trimesters (November, March, June) for ongoing student assessment. Report cards for Grades 1 to 3 will be developmental with a code system of:

- **E** = Exceeds (High Understanding)
- **S** = Secure (Understanding Demonstrated)
- **D** = Developing (Growth Demonstrated)
- **B** = Beginning (Beginning Stages)
- **N** = Not yet performing (Assistance Required)

Kindergarten Report Cards will also follow this Archdiocesan plan

Report Cards for Grades 4 to 8 are academic, using the following code:

**Grading Code – Archdiocese of Newark**

Letter grades are used in each of the main subject categories (BOLD PRINT) and a system of **plus** (Strength), **check** (Satisfactory), and **minus** (Weakness) is used in each of the subcategories. A Rubric Code of 1 through 6 is used for Written Communication.
Final Exams

Final Exams will be administered for all major subjects in Grades 6, 7, and 8 only. Final Exams will be counted as twenty percent of the third trimester grade.

Honors

Honor awards are given to the students for each marking period in the fourth through eighth grades:

- FIRST HONORS – Numerical average 92 and up (per subject)
- SECOND HONORS – Numerical average 83 and up (per subject)

An “I” or “U” any place on the report card makes a student ineligible for HONORS. Also, detentions and consistent tardiness make a student ineligible for HONORS, as well as membership in National Junior Honor Society.

Transcripts

Academic transcripts may not be given directly to the parent/guardian in the event of a transfer. A request for a transfer must be submitted in written form by the parent or guardian. Transcripts will be sent directly from Queen of Peace to the new school when a written request with parent/guardian signature is received. Transcripts of grades will be sent after financial obligations have been met. All financial obligations should be met by April of the current school year. Final examinations may not be taken until all financial obligations have been met.

Religious Education and Religious Services

The non-Catholic student is welcome at Queen of Peace Grammar School. The non-Catholic student is expected to understand and agree that the school exists to educate within the framework of Catholic values. Non-Catholic students must participate in the religion classes and liturgical services scheduled for the students during the year.

Prayers are said daily as part of the school day. Prayer services occur throughout the school year.

Liturgy – the school community (K-8) attends Mass each first Friday of the school month and holy days during the school year.

Reconciliation – Students have the opportunity to receive the Sacrament of Reconciliation during Advent and Lent.

Sacramental Preparation – Students are prepared for the sacrament of First Eucharist and
Reconciliation in the second grade. Final instruction for the Sacrament of Confirmation takes place during freshman year in high school.

**Archdiocesan Sacraments Preparation Policies**

According to Archdiocesan regulations (#0503) the Sacraments of First Reconciliation, First Eucharist, and Confirmation are celebrations of the **parish faith community**. The immediate preparation period of catechesis should be **parish-based, not school based**. It should involve both Catholic and Public school students in a coordinated and unified fashion.

At Queen of Peace, the Sacraments of First Reconciliation and First Eucharist are celebrated in the second grade if the child is properly prepared.

The children of the families who are **registered members** will receive the sacraments of First Reconciliation and First Eucharist at Queen of Peace Parish.

All other children in the second grade who are Catholic must receive the above sacraments at the **Parish they are registered in (worship in on Sunday)**. However, if they wish to do so, they may obtain **written permission from their Pastor** to receive the Sacraments at Queen of Peace Parish.

The sacrament of Confirmation is celebrated in the fall of the ninth grade if the child is properly prepared.

**Field Trips**

On occasion, Queen of Peace Grammar School will sponsor and conduct field trips for the educational enrichment of the students. Participation in field trips is a privilege. Students with discipline problems must be accompanied by a parent. No student may participate in a field trip unless a signed parent/guardian permission slip for the specific event is submitted to the school. The school provides the permission slip form. Parents must provide the cost of transportation as well as admission for each field trip event.

Parents who wish to act as chaperones for field trips must have successfully completed a background check and the RCAN program **Protecting God’s Children**.
**Homework Policy**

Homework is an academic activity by students outside of class. The primary objective of homework is to foster student responsibility for the learning process through tasks requiring time management and decision-making.

If a student consistently states that he/she has no homework or that he/she has completed homework assignments in school, parents should contact the teacher for verification.

**Amount of Homework**

The amount of time that students in the same grade will spend on homework will vary due to individual differences; however, it is believed that students should be assigned homework on a daily basis including some weekends.

**Grading and Evaluation of Homework**

In order to encourage positive student attitude toward homework, individual teachers are expected to instruct their pupils in the proper technique and methods of completing homework assignments. Individual teachers also inform their students of developmentally appropriate expectations for homework in their particular grade level.

**Homework During Absence**

All class work and homework assignments due to absence are to be made up within a time period specified by the classroom teacher. The student is expected to show initiative in seeking out his/her teacher to determine what assignments were missed and when they shall be due. Work can be sent home to any student involved in extended absence. The teacher should be contacted and given a reasonable time to prepare assignments.

A one-day absence does not constitute a call for homework. Valuable teaching/learning skills during a school day can never be made up by home assignments. Please be sure that your reasons for keeping your child/children home from school are valid. On the other hand, PLEASE do not send your child/children to school if they are sick.

**Responsibility of the Student**

1. Regard homework as a serious undertaking.
2. Accept full responsibility for completing all homework.
3. Meet all due dates.
4. Use homework as a study guide for quizzes and tests.
5. Ask questions concerning homework assignments prior to leaving school and request assistance from the teacher when necessary.
6. Exercise careful selection in both the quality and quantity of TV/technology usage. While learning can be enhanced through technology, excessive viewing and/or playing video games can impact learning.

7. Familiarize himself/herself with the section of these guidelines entitled “Homework During Absences”.

8. **Plagiarism** in any form is not permitted when completing assignments.

Students in grades 1-8 are provided with an agenda to organize daily and long term assignments. Parents may be asked to initial this agenda on a daily basis.

Though the parent or guardian should be interested in a student’s homework assignments, homework that is done by a parent is of no value to the child. In the early grades, parents should assist a child in proofreading. Individual teachers may require parental signature on all homework papers. In the upper grades, this is a responsibility the student should accept.

A parent or guardian can assist the elementary level child best through proofreading, but the parent best serves the secondary level child by encouraging that the child does his/her own proofreading.

**Discipline**

The purpose of discipline is to enable the students to achieve a level of self-respect and responsibility while teaching accountability for one’s actions. A sense of order and self-discipline is necessary in each classroom in order to maximize learning success for each student.

A sense of order and discipline is necessary in hallways and cafeteria in order to ensure the safety of all students in the building.

Queen of Peace Grammar School recognizes the importance of respect and dignity of all members of the school community. It is the expectation for all students to reflect this in all words and actions at Queen of Peace Grammar School.

**General Discipline Policy**

A spirit of Christ-like charity, respect for authority, and mutual cooperation are essential elements of the learning environment at Queen of Peace Grammar School. Students are expected to act with courtesy and respect toward one another and toward all members of the staff. They must take seriously their obligation to develop lifetime habits of self-control and concern for the well-being of others. Home and school will work together to help students to learn and live the qualities of responsible behavior and the elements of good citizenship.

A student who chooses to disrupt the good order of the school or to violate a policy or regulation will have to accept the consequences of those irresponsible choices.
Appropriate discipline is within the discretion of the Principal. Accountability for uncooperative, disruptive or unsafe behavior may take any of the following forms: misconduct referrals or warnings; punishment assignments; denial of privileges; detention; in school suspension; out of school suspension; or expulsion.

Harassment is any sort of continuing behavior that is annoying, including inappropriate Internet communication. It can be words, gestures and actions, which tend to annoy, alarm, and abuse (verbally) another person. A person commits a petty misdemeanor if, with purpose to harass another, he or she: (1) makes a telephone call without purpose of legitimate communication or (2) insults, taunts or challenges another in a manner likely to promote a disorderly response; or (3) makes repeated communications anonymously or at extremely inconvenient hours, or in offensive coarse language; or (4) subjects another to an offensive touching; or (5) engages in any other course of alarming conduct serving no legitimate purpose of the actor.

Harassment occurs then, when one person makes repeated verbal written or physical contact with another person who does not want these contacts. Bullying is a particular type of harassment that generally involves some force, whether overt or subtle. Exclusion is widely considered to be a form of bullying, even though there may be no apparent contact. By ignoring or excluding an individual from participation in some group activity, the bully demonstrates his or her force of power.

Actions that violate the law, threaten or cause harm to other students or staff members, disrupt or impede the welfare and progress of the school community, or bring discredit to the school will not be tolerated. Such actions or other severe violations of school rules may result in immediate expulsion. If a student persists in violating basic obligations of courtesy, consideration, respect, cooperation or safety, a principal/parent/student conference will be scheduled. All subsequent discipline, counseling, consultation and corrective action plans will be viewed as positive Home-School efforts to help the student improve behavior. If these cooperative efforts of parents and school staff prove ineffective, the student will be subject to expulsion or may be denied re-admittance to the school. Parents should be aware that some harassment might have legal consequences.

**Corporal Punishment**

Corporal punishment is described as the laying on of hands. Corporal punishment is forbidden under the New Jersey State Law. Teachers at Queen of Peace are never allowed to use corporal punishment as a form of discipline.

Policy Statement on Bullying

As a matter of both school policy and religious obligation, bullying behavior will not be tolerated at Queen of Peace Grammar School. Bullying is defined as any gesture, verbal or written or physical act or electronic communication that is reasonably perceived as being motivated either by an actual or reasonably perceived characteristic, such as race, color, religion, ancestry, natural origin, gender, sexual orientation, gender identity and expression, or a mental, physical, or sensory handicap, or any other distinguishing characteristic, taking place on school property, at any school-sponsored function, or on a school bus. Bullying is an abuse of power by an individual or group who deliberately targets others for repeated physical or psychological abuse.
Bullying has the effect of insulting or demeaning any student or group of students in such a way as to cause substantial disruption in or substantial interference with, the orderly operation of the school or the student’s ability to be educated. Examples of bullying behavior include (but are not limited to) a pattern of intimidation, threats, menacing taunts, teasing, spread of rumors, leaving someone out on purpose, and psychological abuse and/or physical contact aimed at either provoking a defensive or aggressive response, or in the extreme, causing injury. Bullying can also include a pattern of deliberate isolation or exclusion of another with the intent to be hurtful.

Bullying behavior is considered a major infraction at Queen of Peace School. Every effort will be made by both teachers and principal to discuss and solve problems among bullies and their targets. If a solution cannot be resolved in a reasonable amount of time and bullying behavior persists to the interruption of the good order of any classroom, the bully may be subjected to suspension of class or school activities, detention, suspension or expulsion.

Bullying is a community concern requiring community-wide accountability and commitment to both its prevention as well as prompt, appropriate and effective response if and when it occurs. The Queen of Peace staff agrees to create a value-rich Catholic environment with a positive atmosphere of respect and responsibility through praise, rewards and privileges. The basic rules of the school reinforce self-control and accountability for one’s own behavior; always trying your best and always respecting the feelings, property and space of others.

Substance Abuse Awareness

Queen of Peace Grammar School is committed to the prevention of alcohol, tobacco, and other substance use/abuse.
Queen of Peace Grammar School understands that health problems of youth are primarily the responsibility of the home and community. However, we share in that responsibility because chemical dependency problems interfere with appropriate school behavior, student learning and the student’s ability to reach his/her full potential. We believe that students must be chemically free in order to develop in the most productive and healthy manner, and we are committed to being a drug free school.

The policy of Queen of Peace Grammar School concerning alcohol and other substances is modeled in our school philosophy.

Queen of Peace Grammar School conforms to New Jersey State Statutes. The alcohol and drug abuse policy has been written with due consideration for the legal rights and responsibilities of administration, faculty, students and parents who may find themselves involved in such situations. New Jersey Statute (NJSA18A:4.0-4.1) requires that educational personnel report a pupil whom they perceive to be under the influence of a controlled, dangerous substance.

The AFTER CARE program consists of HOMEWORK ROOM (from about 3:15 to 4:15 PM, Mondays to Thursdays); outdoor play time, snack and movies, and indoor play activities. Special events are also planned for these students.

Archdiocese’s Position on Sexuality

The learning environment and religious nature of Catholic schools are guided by the Catechism of the Catholic Church. The Catechism of the Catholic Church can be found at the web site for the United States Catholic Conference of Bishops.

Among other things, the Catechism of the Catholic Church states: “By creating the human being man and woman, God gives personal dignity equally to the one and the other. Each of them man and woman, should acknowledge and accept his sexual identity.” (§2393, Catechism of the Catholic Church).

“Except within a valid marriage between a man and a woman (see, e.g. Sections 2360-2363, Catechism of the Catholic Church), Christ is the model of chastity, which all are called upon to emulate. See, e.g. Sections 2392-2397, Catechism of the Catholic Church.”

If a student’s expression of gender, sexual identity or sexuality should cause confusion or disruption at the Catholic School, if it should mislead others, cause scandal or have the potential for causing scandal, then the matter will be discussed with the student and his/her parents. If not resolved to the satisfaction of the School, which is seeking to uphold Catholic principles, then the student will be expelled from the Catholic School after the parents are first given the option to immediately withdraw from the School.

As in the case of students, if serious concerns arise to a parent’s or guardian’s (herein “parent’s”) position or action with respect to the tenets of the Catholic faith, then he/she will be counseled by School. If the matter involving the parent/student’s(s) is not resolved to the satisfaction of the School, which is seeking to uphold Catholic principles, then the parent will be asked to withdraw child(ren) from School and they agree to do so immediately. If they fail to do so, parents understand that child(ren) will be expelled from the Catholic school.
Technology Policy

The use of computer services at Queen of Peace Grammar School is a privilege, not a right. Students are expected to make responsible, ethical and appropriate use of computers and information services, such as the Internet at all times. Network and computer services include: use of personal and school devices, cell phones, computers and laptops, use of the Internet and SMART boards, and use of all associated software. Students should realize that these services are finite and costly and that such things as time, money and hardware are wrongfully restricted or appropriated when these services are abused.

Queen of Peace Grammar School’s policies apply to information services in very particular ways:

- Students may only use their password.
- Students may not reconfigure or tamper with the network system in any way nor attempt to access or alter files without proper authority.
- Students may not unlawfully copy software or information. Students may not use illegal software.
- Students must cite properly all information that is required from electronic sources and used in their assignments.
- A student is held responsible for all activity conducted on his/her account or under his/her password.
- Queen of Peace Grammar School holds specific expectations for students at each grade level for how they use their computer during official school hours and after school in the computer lab, classrooms or library.
- Game playing other than academic games directed by the teaching staff, is not permitted on any school-owned computer, server or network system.

Failure to comply with these standards or acceptable use of Queen of Peace Grammar School’s technology will result, in the very least, in suspension or withdrawal of network privileges.
