Parents, the administration and faculty looks forward to a strong, collaborative partnership with you to support your child throughout the 2022-2023 school year. Our school is truly blessed as we begin the school year with our renewed school mission:

*The Mission of Our Lady Queen of Peace Grammar School, an extension of the Christian family, is to empower our students with Catholic teachings, morality and traditions as well as knowledge, academic and technological skills that will prepare them to embrace future challenges in a diverse and ever evolving world.*

A new year provides so many possibilities of growth in learning, in faith, in friendships, and in service to others. We look to our Blessed Mother, Our Lady Queen of Peace, to pray for all of our families during this school year.

*Beloved Mother, help us realize that we are all members of one great family and to recognize the bond that unites us, so that, in a spirit of fraternity and solidarity, we can help to alleviate countless situations of those in need. Make us strong in faith, persevering in service, constant in prayer.*

Thank you for your investment in and continued support of Queen of Peace Grammar School.

See you in September!
